K4350C

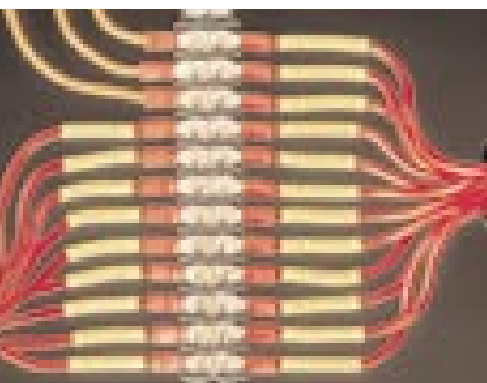

The Kroy K4350C printer gives you the freedom to print what you want, when you want it. Capable of printing paper and synthetic labels, heat shrinkable tubing, self laminating wire marking labels, banners, rating plates and much more - the K4350C allows you total flexibility. The printer complete with automatic cutter fits onto the desktop and runs from within its own label making software program or many Windows applications.

Advanced memory management lets you permanently store label formats, graphics, and fonts.

Ideal for medium to low volume users, the K4350C partners well with Kroy's supplies and software offerings.
